SAFETY TIPS

To protect yourself and your card, and to avoid unauthorized use, remember these safety tips:

- Please sign your card upon receipt.
- Destroy your card when it expires or when your new card becomes effective.
- Memorize your Personal Identification number (PIN), do not write it on the back of your VISA debit card or keep it with you.
- Never give your PIN to anyone.
- Never use numbers like your date of birth, telephone number or vehicle's registration number for your PIN.
- Remember to always pick up your ATM receipts.
- Safeguard your account number. Always obtain merchant receipts.
