HMFCU Church Connections to Financial Services

Holston Methodist Federal Credit Union
Think Outside the Bank...

WINDOWS OF OPPORTUNITY

Holston Methodist Federal Credit Union was established in 1956 and is dedicated to serving the financial needs of the United Methodist community within Holston Conference.

Your credit union operates in a manner consistent with biblical principles and our mission is “To be a safe and sound credit union which provides unique, beneficial services to the membership in the spirit of mutual, authentic caring.”

One way we support the United Methodist community is by providing a broad range of financial services and lending options to our United Methodist churches.

Our low-cost or no-cost financial services and competitive rates on deposits and loans enable our churches to use those “saved dollars” to promote their individual ministries.

SERVICES

Business Checking

We know that different churches have different needs. That’s why we structured our checking accounts and provide you with various options. HMFCU’s Basic Business Checking has been designed to meet the needs of the various organizations and ministries within our local churches and conference affiliates. The best news is that there are no minimum balance requirements, no monthly service charges, and no “per item” fees.

Online Account Access

Convenient online access to account information is a real help to those individuals responsible for maintaining the church’s financial records. CU@Home is a free service which allows authorized users to manage the account activity and initiate transactions through the credit union’s secure website. You can check account balances, transfer funds, make loan payments, as well as view and print statements. Also includes FREE Mobile App, Mobile Website, and Remote Deposit Capture.

Share Savings Account

If you’re looking for higher earnings and flexibility, our Church Share Savings account is a great place to deposit your funds. This account allows you the freedom to make deposits and withdrawals at any time, without paying a penalty.

Deposit Locations

Convenience is the number one reason individuals/Businesses choose their financial institution. Deposits are accepted through Direct Deposit and at First Tennessee or BB&T Bank locations. HMFCU offers over 90,000 locations nationwide to obtain cash surcharge free.

Share Certificates | Investments

If you are looking for safety of principal and higher earnings than traditionally paid on passbook or share savings, we offer a variety of products to satisfy short and long-term investment needs.

Church Visa Business

Many United Methodist Churches provide their pastors and staff a credit card to use for church-related business. HMFCU’s Visa Business offers convenience, reliability and worldwide acceptance. Earn two points for every dollar spent and redeem them for travel or gift card rewards. On-line options include: making payments, viewing statements and setting e-mail alerts.

Loans

The credit union offers a variety of low-cost church loans. If your church is beginning a building or remodeling project, or is just in need of a small loan, we can help you determine which loan product best suits your needs.

Offerings - FREE Service

Giving made easy -- it can be done electronically. The member’s giving is electronically transferred from their checking or savings account, regardless of financial institution. Direct Deposit helps the church better manage its cash flow and is a free service to the church and its members.
