## Petersburg Social Services

For Child Protective Services

"Our goal is to identify, assess, and provide services to children and families in an effort to protect children, preserve families whenever possible, and prevent further maltreatment. Child Protective Services (CPS) is non-punitive in its approach and is directed toward enabling families to provide adequate care for their children."

For Adult Services

"Adult Services (AS) are designed to allow the adult to remain in the least restrictive setting and function as independently as possible by establishing and/or strengthening appropriate family and social support systems or by supporting the adult in self-determination. Adult Services are provided to impaired adults age 18 or older, and to their families when appropriate."

For Foster Care

"The Foster Care Program provides services to children and families when circumstances require the child to be removed from their home. Foster care provides a safe and stable environment for children and older youth until the issues that made placement outside the home necessary are resolved."
