

June 2017

Our merger with UFirst is less than a month away, and we are busy helping our members to get ready for the big day. If you have questions, call or stop by.

All direct deposits and automatic payments will have to change **AFTER JULY 1<sup>ST</sup>!**

There is no rush – as you have several months to change everything, so don't worry.

We have forms for Direct Deposit of Social Security and Mill Pensions – Please stop by and we will help you with filling them out and fax them in for you.

**After July 1<sup>st</sup>**, you will need to set up your new online account at [UFirstfcu.net](http://UFirstfcu.net)

Your member account number does not change, but the checking number and the routing number will need to change for all direct deposits and auto payments. Please stop by for a form with the *exact* info you need, or call and we will gladly mail you one.

Keep in mind that the staff will also be learning new software, so please be patient with them as they adjust to a lot of new information.
